

Enhanced experiences and learning

V⁺ ENHANCED ENGLISH PROGRAMME

ELEMENTARY SCHOOL

SPORTS

The sports hall, owned, built and operated by VSAL is a fully-fitted modern facility where a wide array of sports and activities are housed both within the school curriculum and timetable as well as through extra-curricular activities run in partnership with Promosport.

ARTS

Theatre and music are art forms through which a child can develop communication and language skills, stimulate creativity and improve self-esteem.

VSAL is developing a comprehensive programme of art and multi-cultural experiences which will, in direct association to the V⁺ English programme, also focus on English-oriented theatre and excursions.

LANGUAGE

English language learning is central to VSAL's mission to enrich pupils' educational experience. Through age-appropriate activities that build confidence, communication skills, and cultural awareness, VSAL supports the development of strong linguistic foundations across the learning community. As pupils progress, these foundations prepare them to access more advanced linguistic and cultural pathways offered through the V⁺ programme.

V⁺ ENHANCED ENGLISH PROGRAMME

The V⁺ programme introduces young learners to English from Kindergarten through carefully designed, engaging and immersive activities led by native speakers. Early confidence is nurtured through storytelling, games and creative projects, while pupils in Primary gradually progress towards more structured language learning. This approach aims to build strong linguistic foundations and a positive relationship with the language, preparing pupils effectively for the more demanding Secondary programme.

IN THE CLASSROOM...

- 4** 4 hours English lessons per week
-  Exclusively taught by native speakers
-  Independent programme inspired by UK curriculum
